

CUNY TECH PREP

# Certificate of Completion

Presented on May 17, 2022 to

*Dee Slawotsky*

This candidate has successfully completed CUNY Tech Prep, a year-long technical and professional development program. The candidate learned in-demand technologies in Web Development or Data Science, developed their professional skills through individualized career coaching, and applied their learnings through a group project, built from design to implementation and pitched at CUNY Tech Prep Demo Night.
